PRESIDENT HEINEMAN: Thank you, Mr. Clerk. The Chair would recognize Senator Burling to open.

SENATOR BURLING: Thank you, Mr. President, and members of the body. LB 333A would appropriate the money needed to implement the LB 333 bill that was advanced to Select File earlier this week that enables the Department of Motor Vehicles to title ATVs and minibikes. It's anticipated that the first year cost would be about \$5,000 to get set up for the program, and then succeeding years would have an income of approximately \$8,000 of net income. So with that, I ask for passage of the bill. Thank you very much.

PRESIDENT HEINEMAN: Thank you, Senator Burling. Further discussion? Seeing none, Senator Burling, you're recognized to close. Senator Burling waives closing. The question is the advancement of LB 333A to E & R Initial. All those in favor vote aye; those opposed vote nay. Please record, Mr. Clerk.
